When I perform a command like this it first takes something like 5 minutes and then executes the command. Is there any reason why this is happening? A: My solution: I used find, you can replace it by a slow command which result in many.log files in the dir where you did the want to run the command. find /backup/test/file_to_exclude -name "*.log" -delete find /backup/test/log_dir -type f -iname "*.log" -delete This command is short, but slow, so I don't suggest to run it inside crontab. This is enough to clean dir and would be faster. UVA Athletic Director Whit Babcock Named Baseball Coach At Alcorn State OXFORD, Miss. (AP) — Whit Babcock has been named the new head baseball coach at Alcorn State. Babcock, who has spent the last four years as the head coach at the University of Maryland, will take over for Chris Spradlin who was fired in May. Spradlin went 48-30 during his stint at Alcorn. Babcock is 36-34 in four seasons in College Park. He was an assistant at Michigan from 2002-06 and served as the head coach at Alcorn State (Alabama) from 2006-08. UVA Athletic Director Whit Babcock Named Baseball Coach At Alcorn StateThe UK is facing a huge pensions deficit and a looming pensions crisis, and research shows that over a third of pensioners are in no doubt over how they will spend their retirement. With an ageing population, insufficient pension savings and rising living costs, there's a real fear that retirement may be tougher for many people than they first thought. In her Ask the Expert blog, Sharon Howard, head of research and communications at the Royal College of Midwives, discusses three things midwives can do to help those planning to become pregnant and with baby number two. Sharon explains: "We are all too aware of the growing numbers of mums and dads in our communities struggling to plan for the future. "One of the most common barriers to getting on the path to pension saving is not realising that you can make contributions while you're still at work – or that you could start contributing even before you've had a chance to buy a house

To want to live cleanly, one will need to start on oneself. Then in the end, one can go back and give full dedication to God and to living life cleanly, rather than indulging in those things that don't bring about the health that we want.
